PERSONALITY & STYLE

Joe Maddon has the reputation of being a forward thinker. He likes to play the matchups and is not a fan of small ball. He has plenty of experience. In non-DH leagues, Maddon sometimes likes to bat his pitchers in the #8 spot. Joe is personable. He will often strike up a conversation about his beloved hometown of Hazleton, Pennsylvania. His personality should help him make friends in the dugout, but it may not end up as the best development environment for players.
